

# Media Release – Batchfire Callide Mine

## Batchfire Council Partnership Continues

Joseph Hughes, Environment & Community Manager Batchfire Callide Mine welcomed Keith Halford, Planning and Environment Manager, Banana Shire Council to Callide Mine.

Mr Hughes said that the ongoing partnership between Batchfire and Banana Shire Council is extremely important to the mine and the community. Callide mine donated the current Landfill Land to the Council and is continuing to work with Council, sharing data and supporting the sustainable environmental management of the landfill.

Mr Halford who recently joined the Banana Shire Council team has extensive experience in the Mining Industry and Local Government especially in the field of waste management. There are some fantastic opportunities available from working closely with the mining industry specifically Batchfire.

Chris Coombes, Head of Business, Batchfire Callide Mine said we are a major employer and contributor to the community our stance is to collaborate with Banana Shire Council whenever possible.
